

## Chapman Park to Oriole Park Transition Discussion with City of Stanley

1. Stanley-Boyd: We will want to remove anything that says "Stanley-Boyd" on it.
  - a. Tim will take down press box signs this winter/spring.
  - b. "Home of Stanley-Boyd Orioles" above the main entry gate could stay through baseball season?
2. Baseball Scoreboard: This was donated to the school. The donor has asked Tim several times if it will come to Oriole Park. We hope to move it in a year.
3. Football Scoreboard: Should we consider making it into a baseball scoreboard at Oriole Park? It is old and I am not sure how usable. Does the City see a use for it?
4. Batting Cage: We don't have a use for this after this spring. It was constructed by a community group.
5. Concession Stand: The two main coolers, popcorn popper, grill, etc are owned by the FFA and FFA Alumni. They intend to move those items to Oriole Park.
6. Sideline Markers: We don't really need them but likely will take for spares.
7. Goal Posts: We have a lot of them already. Is there a City use?
8. Press Box: Can the rodeo or truck pull use it as a speaker stand.
9. Bleachers:
  - Move them to Oriole Park on visitor side? Would have to do it ourselves over time as having it done professionally is much too expensive.
  - Can we move and put up half? That might be about right?
  - Does Rodeo or tractor pull want them?
10. Fields:
  - We have mowed the fields for a number of years.
11. Lights:
  - Any thoughts?
