Stanley-Boyd Area Schools

Oriole Park

Supporters of Oriole Park

The Stanley-Boyd Area Schools have become a leader in the state, being recognized for exemplary learning environments and centers of innovation, leaders and educational excellence. The district's vision for Oriole Park is continued advancement for all students as we strive to prepare them for future success and challenges of the 21st Century.

This on-campus, multi-use facility project compliments Stanley-Boyd Area School's concentrated efforts in the classroom to provide a well-rounded educational experience in a sound manner. Oriole Park will serve our district and community for many generations to come. This collaborative, future-focused effort is a win-win for students, taxpayers and the community!

As a contributor to Oriole Park, you have a unique opportunity to provide numerous educational options for students of our school district. Various donation levels have been designed to encourage donors the opportunity to be part of this progressive initiative to construct an on-campus, multi-use facility, appropriately named Oriole Park.

Much more than a football field, this facility will provide daily access to our physical education program, marching band, sports teams, and community activities.

We are excited about the opportunities your participation in this project will provide our educational institution and community. We invite you to join us in this project and thank you in advance for your donation.
