

Stanley-Boyd Board of Education Ends Policy

School Mission:

To Ensure that all Students will learn at a high level while becoming college and career ready.

School Vision Statements:

1. To create a school where every student has access to relevant, engaging, and meaningful learning experiences every day to build confidence for future academic and career success.
2. To create a school where every faculty and staff member works interdependently and positively in a collaborative community to erase inequities in student learning.
3. To create a school where every administrator, faculty member, and staff member is fully engaged in and enjoys his or her work.
4. To create a school where the faculty collaborates with students, families, and the community to ensure that each student acquires the necessary knowledge, skills, and core values needed to achieve personal success and enrich the community they live in.
5. To create a school culture where every student, parent, staff, and community member feels valued, respected, supported, and challenged in their interactions with one another on a daily basis.

Ends Policy: Students will demonstrate:

E-1 Creativity, critical thinking, and problem-solving skills using multiple measures of performance

E-2 Ability to effectively communicate and collaborate with others for mutual understanding.

E-3 Citizenship and show personal responsibility as contributing members of a diverse and global community
