HOURS OF WORK / WORK SCHEDULES / CALENDARS

Calendar: A District calendar is attached as Appendix D.

Full-time:

Teacher: For purposes of determining work status, retirement, hourly wage, and any other issue directly tied to a specific number of hours worked, the work day for a full-time teacher shall be considered from 7:30 am to 4:00 pm. All teachers will have a scheduled 30 minute lunch. Flexing hours will remain an option with principal approval as long as teachers remain available for meetings and other professional responsibilities throughout the week. All teachers are required to supervise one evening event as part of their salary. Additional evening supervisions will be paid per the Wage Handbook.

Custodial: The normal work week for full-time employees shall be 40 hours per week. All full-time employees shall have an unpaid designated lunch period. Work hours will be determined by the District Administrator or his/her designee. Any employee called back to do emergency part time work or building checks shall be paid a minimum of two hours work time.

Food Service, Paraprofessional, Secretary: The normal work week for full-time employees shall be at least 35 hours. All full-time employees shall have an unpaid designated lunch period. Work hours will be determined by the District Administrator or his/her designee.

~~**Secretary:** The normal work week for full-time employees shall be at least 35 hours. All full-time employees shall have an unpaid designated lunch period. Work hours will be determined by the District Administrator or his/her designee. (Specific to issues related to TIME AT WORK & TIME AWAY FROM WORK, full-time status will be considered as anyone working 30 hours or more per week.)~~

Bus Driver: The normal work day for full-time employees shall be a regular morning and afternoon route each school day. Any reference to a “day” in this handbook equals two trips for drivers. On extra-curricular routes only, drivers will be allowed 15 minutes before and 15 minutes after trip time for fueling and cleaning.

PAYROLL & DEDUCTIONS FROM PAYROLL

RULE: To provide a standardization of payroll and payroll procedures in accordance with applicable State and Federal guidelines.

Pay Periods: Paychecks will be provided via direct deposit for all employees according to the payroll schedule available within the employee portal on the SBSB website.

Data Changes: Please notify the finance manager if there are any changes to your name, home address, telephone number(s), marital status, name or number of dependents, number of tax exemptions, insurance classification, beneficiary changes, or individuals to be contacted in case of emergency. This information is necessary as it may affect your compensation, dependents' eligibility for medical insurance, and other important matters.

Deductions: It is the Employer's intent to comply with applicable wage and hour laws and regulations. If you have any questions or concerns about your status or you believe that any deduction has been made from your pay that is inconsistent with your status, you should immediately raise the matter with the finance manager who can assist you in understanding the information that is required in order to investigate the matter.

The Employer is committed to investigating and resolving all complaints as promptly, but also as accurately, as possible. Consistent with the U.S. Department of Labor's policy, any complaint will be resolved within a reasonable time given all the facts and circumstances. If an investigation reveals that you were subjected to an improper deduction from pay, you will be reimbursed and the Employer will take whatever action it deems necessary to ensure compliance in the future.

TOTAL BASE WAGES & OTHER FORMS OF COMPENSATION

POLICY:

Teacher: To review and provide total base wages in accordance with State law which authorizes collective bargaining for total base wages *only*; to allow for consideration of other forms of compensation *outside of collective bargaining*.

Premium pay, merit pay, automatic pay progressions and any other form of supplemental compensation may be considered, but not bargained, by the employer.

Custodial, Food Service, Paraprofessional, Secretary, Bus Driver: To review the wage and benefit package as necessary to remain competitive within the community workforce.

Employees in “non-exempt” jobs are paid on an hourly basis and are entitled to overtime pay for hours worked in excess of 40 hours per week. Employees in “exempt” positions are paid on a salary basis and are excluded from specific provisions of federal and state wage and hour laws and are not eligible for overtime pay. Employees should contact the finance manager if they are unsure of their position’s designation.

Part-time employees shall receive prorated leave. For purposes of this provision, "immediate family" shall be defined as including the employees spouse, child, sibling, sibling-in-law, parent, grandparent, grandparent-in-law, grandchild, and parent-in-law.

The District recognizes that "immediate family" may not recognize people whom we care deeply about and or that not every situation can be attended to in three days (out of state funerals for example). LEAVES - JURY DUTY

RULE: Employees who receive a summons to serve on jury duty will be granted jury duty leave.

LEAVES - EMERGENCY CONDITIONS

RULE: To promptly notify employees of any emergency conditions that may require the closing of a work site, the reassignment of staff to alternative work sites or other emergency measures.

Inclement Weather:

Teacher: Weather conditions affecting only the ability to transport students safely will generally not be considered a reason for closing a facility. Under such circumstances, the District Administrator may determine:

- **School is closed. The day may be made up by students and teachers during an otherwise scheduled break or as an additional school day added to the end of the school calendar.**
- **School is canceled but teachers report. The student day will not be made up.**

Custodial: Weather conditions affecting only the ability to transport students safely will generally not be considered a reason for closing a facility and the day will be considered a normal work day.

Food Service, Paraprofessional, Bus Driver: These personnel are employed to provide specific services directly related to students. On days when school is not in session and or when students are not in attendance, these personnel will not be paid. Employees will be allowed to use personal days on inclement weather days if they choose.

Examples of emergency conditions might include power outages, a natural disaster, or a quarantine imposed by health officials. Under such circumstances, the District Administrator may authorize paid leave status for employees or authorize the days be made up following the above “Inclement Weather” rules.

Food Service, Paraprofessional, Secretary, Bus Driver: In conjunction with local health and/or public safety authorities, the Stanley-Boyd Area Schools may decide to close a work site or take other emergency measures in order to safeguard the health and welfare of employees and the public and/or because a situation exists affecting the ability of employees to perform their job. Insurance Continuation: Under state law and the Federal Consolidated Omnibus Budget Reconciliation Act of 1985 (“COBRA”) and subsequent amendments to the Act, employees covered under an employer’s group health care plan are eligible for continuation of health care coverage under the group plan upon the employee’s termination (except for gross misconduct) or reduction in hours. COBRA regulations also allow the employee’s spouse and covered dependents to elect continuation coverage upon the employee’s death, divorce or legal separation, an employee’s entitlement to Medicare, a dependent’s loss of dependent status under family coverage, or the employer’s filing of a bankruptcy proceeding.

All employees, as well as their qualified dependents, will receive notice of mandated insurance continuation benefits at the time of hire or whenever the plan coverage for the employee begins. If a qualifying event occurs which entitles the employee and/or qualified dependents to continuation coverage, the plan administrator will notify the qualified beneficiaries of their right to elect continuation coverage. ELECTRONIC MEDIA & SOCIAL MEDIA POLICY

RULE: It is the policy of the employer that information, in all its forms, written, spoken, recorded electronically, or printed, will be protected from accidental or intentional unauthorized modification, destruction, or disclosure. All electronic media must be protected from misuse, unauthorized manipulation, and destruction. It is further the policy of the employer that employees may not use social media technology to engage in or post communications or material that would violate any Handbook policy, including, but not limited to, using technology to post communications or materials that are derogatory or offensive with respect to race, religion, gender, sexual orientation, national origin, disability, age, or any other legally protected class status.

Teacher, Custodial, Food Service, Paraprofessional, Secretary, Bus Driver: **General Guidelines - Electronic Media:**

1. All employer-provided electronic media systems are the employer's property. Additionally, all messages and files composed, sent or received on these systems are and remain the property of the employer. They are not the private property of any employee.
2. The use of our electronic media systems is reserved solely for the conduct of business, during work hours. However, if employees wish to use these systems during breaks, lunch periods, or before and after regular working hours, they may do so but employees are specifically prohibited from using these services for any illegal, illicit, immoral or offensive purposes.
3. The electronic media systems may not be used to solicit or proselytize for commercial ventures, religious or political causes, outside organizations or other non-job-related solicitations.
4. The electronic media systems are not to be used to create any offensive or disruptive messages or documents.
5. The electronic media systems may not be used to send (upload) or receive (download) copyrighted materials, trade secrets, proprietary financial information or similar materials without prior authorization.
6. The employer reserves and intends to exercise the right to review, audit, intercept, access and disclose all internet activity and any messages or documents created, received or sent over the employer's electronic media systems for any purpose.
7. The confidentiality of any message cannot be assumed. Even when a message is erased, it is still possible to retrieve and read that message. Further, the use of passwords for security does not guarantee confidentiality. All passwords must be disclosed to management or they are invalid and cannot be used.
8. Employees may not modify, delete, or destroy any Employer document created by any electronic media unless specifically authorized to do so.
9. Employees are not to access social media sites (ie Facebook, Twitter) during work hours and or using employer owned technology without prior principal approval.

Duty to Report: All employees have a duty to report any discovered or suspected unauthorized or improper usage of electronic media or social media with impact on the workplace.

Policy Violations: Employees who violate this policy may be subject to discipline, up to and including immediate termination of employment.

POLITICAL/UNION ACTIVITIES

RULE: Employees are free to engage in political/union activity outside of work hours and to the extent that it does not adversely affect the performance of job duties, working relationships or District operations. When engaging in political/union activity or engaging in discussion of issues of public importance, employees are expected to ensure that their actions and positions are not attributed to the Employer. Employer resources may not be used for promoting a particular candidate or political party or for advocating a particular position on an issue that has become identified as the viewpoint of a particular candidate or party.

Teacher, Custodial, Food Service, Paraprofessional, Secretary, Bus Driver:

Definition of “Employer Resources”: Employees may not use employer resources for political activities. Employer resources include office supplies, electronic equipment including e-mail, facsimile and photocopying machines, bulletin boards and other public spaces.

Definition of “Political/Union” Activities: Political/union activities must be conducted independent of your role as an employee. The following guidelines are not exhaustive, but are intended to help in differentiating between those activities that may be viewed as harmful to workplace functioning and those activities that generally fall outside the activities subject to employer restrictions and intervention. Employees are expected to avoid the following activities:

- Using working hours or employer resources to solicit money or signatures or to make political/union contributions;
- Using non-work hours to solicit contributions, signatures or services from other employees who are on work time;
- Posting political/union materials in areas open to the public;
- Using the employer’s mailing address as the return address for political/union solicitations;
- Providing employer mailing lists to any individual or organization for political/union solicitations if this information is not generally available to the public. (Note: the use and distribution of employer mailing lists to outside parties always requires prior authorization including an assessment of whether fees should be charged to cover production costs);
- Providing a forum for an individual candidate to promote his or her campaign without giving an equal opportunity to other candidates, for the same office, to participate in the forum;
- Political/union advocacy in the form of clothing items, armbands and buttons that cause a disruption in operations and/or violate the rights of others including the right to be free from discrimination, harassment and intimidation in the workplace.
- These guidelines are not intended to discourage discussion of controversial issues in the classroom, where such discussions are consistent with District curriculum guidelines and teaching methods.
- This policy is not intended to limit the off-duty activities of employees where District buildings and property are made available to community groups for meetings and gatherings.

SOLICITATION (Non-Political)

RULE: In order to help maintain a work environment that protects employees from undue interference while performing their jobs, employees may not orally solicit or distribute written materials for any organization, fund, activity or cause to other employees in work areas while either employee is on working time.

Teacher, Custodial, Food Service, Paraprofessional, Secretary, Bus Driver:

Employee's On-duty: Employees may solicit other employees or distribute written materials before or after the normal work day, during normal break or lunch times or any other time when they are not working. These solicitations and literature distribution efforts are not permitted in working areas.

Employee's Off-duty: Off-duty employees may not solicit or distribute literature on SBAS premises at any time.

Non-employees: May not solicit or distribute written materials on behalf of any organization, fund, activity or cause. Solicitations for charitable organizations are exempt as long as the organization is sponsored by an employee and prior permission has been secured from management. The same restrictions regarding working time and working areas apply to non-employees.

Exceptions: Building principals may allow various events, activities, or causes to be allowable. For example, nothing in this handbook shall prohibit a charitable cause such as Relay for Life to be conducted on premise with advanced approval from the building principal.

DISCIPLINE

RULE: Disciplinary action against employees may be taken for violations of standards of conduct, violations of policies and procedures, or for unsatisfactory work performance. Disciplinary action will only be taken after a full investigation and after giving the employee an opportunity to respond to any and all allegations.

Teacher, Custodial, Food Service, Paraprofessional, Secretary, Bus Driver:

Employees are expected to work in a competent and conscientious manner which reflects favorably upon the employee and Stanley-Boyd Area Schools. The following is a list of examples of behavior which would normally justify disciplinary action.

- Fraud in securing employment
- Incompetency
- Inefficiency
- Unauthorized absences
- Repeated absence or tardiness or improper use of leave
- Neglect of duty
- Insubordination or willful misconduct
- Dishonesty
- Assuming duties while under the influence of controlled substances or intoxicants; or possession or use of intoxicants or controlled substances during working hours
- Conviction of a felony or misdemeanor, the circumstances of which are substantially related to the duties performed
- Negligence or willful damage to property
- Discourteous treatment of the public or fellow employees
- Failure to obtain and maintain a current license or certification as required by law or employer
- Workplace violence
- Sexual or other unlawful harassment
- Violation of any lawful order, directive, policy, or work rule

The offenses listed above are not intended to be all-inclusive, and discipline or discharge may occur for any other reason depending upon the seriousness of the offense and the particular circumstances involved.

Documentation: All discipline shall be documented with a copy provided to the employee and a copy placed in the employee's personnel file.

Privacy/Confidentiality: All employees are entitled to discipline which is private and confidential. To that end, supervisors and employees will be held to that expectation. Please note that the District is a public employer whose written materials can in many instances be obtained through document requests by the public. The District will notify employees of such requests prior to providing discipline information to the public. The employee receiving discipline as well as any other employee with knowledge of the incident or discipline will be held to this same expectation of confidentiality.

Level of Discipline: The level of discipline imposed will take into consideration the seriousness of the infraction as well as the employee's performance record. When appropriate, discipline should be corrective in nature. At the employer's sole discretion, various types of corrective action may be imposed which include, but are not limited to, the following: Verbal Warning, **Letter of Concern**, **Letter of Expectation**, and/or **Letter of Discipline**. None of these corrective measures are required to be used before discharge from employment occurs nor are the listed disciplinary actions required to be used in any specific order. The Employer may repeat corrective actions.

Letter of Concern: The first step beyond a verbal discussion will generally be a Letter of Concern. The employee's supervisor shall provide the employee with a letter documenting the specific District concern(s). This documents that all parties were aware of the District's expectation and the employee's failure to meet that expectation. The letter will include a timeline for its removal from the personnel file depending upon severity at the discretion of the administrator. (Although this step may ultimately lead to disciplinary action if the subject matter of the letter of concern is not corrected, the letter of concern in itself is not considered disciplinary in nature and is thereby not subject to the grievance process.)

Letter of Expectation: The Letter of Expectation provides the employee with a letter documenting the specific district concern and also includes a statement as to the discipline which will be taken if the concern, issue, or behavior continues. (Although this step may ultimately lead to disciplinary action if the subject matter of the letter of concern is not corrected, the letter of concern in itself is not considered disciplinary in nature and is thereby not subject to the grievance process.)

Letter of Discipline: The Letter of Discipline outlines the District concern as well as the discipline that is being provided in an attempt to correct the concern, issue, or behavior. A specific statement of what future discipline will be provided will also be included.

Handling of Public Concerns: The District is committed to providing employees with protection from public concerns impacting their standing without warrant. In order to provide that protection to our employees, District supervisors shall abide by the following expectations:

- Individual parent, community member, or school board comments, complaints, issues, or concerns will be dealt with at the Verbal Warning or "**Letter of Concern**" level unless the concern includes issues relating to the physical or mental harm of a child.
- Continuing issues from more than one community member may require corrective action beyond the Letter of Concern level. These concerns must be documented in writing.
- Discipline resulting from community concerns, unless related to the physical or mental harm of a child, will be limited to the position in which the employee received the complaint. (A community concern regarding an employee as a coach/volunteer, for example, may require discipline of the employee as a coach but that discipline would not impact that employee's teaching position.)

GRIEVANCE PROCEDURE

POLICY: To provide a timely and orderly review of decisions concerning:
a) employee termination; b) employee discipline; and c) workplace safety.

Teacher, Custodial, Food Service, Paraprofessional, Secretary, Bus Driver:

- I. Purpose and Applicability:** This procedure provides an employee with the individual opportunity to address concerns regarding discipline, termination, or workplace safety matters, to have those matters reviewed by an Impartial Hearing Officer, and to appeal to the Board of Education, where appropriate. The District expects employees and management to exercise reasonable efforts to resolve any questions, problems, or misunderstandings prior to utilizing the grievance procedure.

If an employee is subject to a contractual grievance procedure, the contractual grievance procedure must be followed as applicable. This procedure does not replace or supersede any statutory provision which may be applicable to an employee's employment with the District. Any grievance, or part of a grievance, that is subject to the jurisdiction of a different governmental body or Wisconsin statute, or subject to a different dispute resolution process, is excluded from this grievance procedure. This grievance procedure does not create a legally binding contract or a contract of employment.

II. Definitions

A. Definition of "Employee":

1. For purposes of discipline and termination under this grievance procedure, an employee shall be defined to include regular full-time, part-time, and limited term employees. All other individuals employed by the District, such as casual employees, temporary employees, and short-term substitutes as well as independent contractors, are specifically excluded from the definition of employee and, therefore, this grievance procedure is not available to them.
2. For purposes of workplace safety under this grievance procedure, an employee shall be defined to include regular full-time, part-time, limited term, casual, and temporary employees. All other individuals employed by the District are specifically excluded from the definition of employee and, therefore, this grievance procedure is not available to them.

B. Definition of "Discipline": For purposes of this procedure, "discipline" means an employment action that results in a disciplinary suspension or disciplinary demotion. "Discipline" for purposes of access to this grievance procedure does not include any written or verbal notices, warnings, reprimands, or reminders; verbal disciplines will be documented, but is not subject to the grievance procedure. The purpose of written and verbal notices, warnings, reprimands, or reminders is to alert the employee that failure to correct the behavior may result in disciplinary suspension, without pay, disciplinary termination, or disciplinary demotion.

C. Definition of "Termination": For purposes of this procedure, "termination" means a separation from employment by the employer for disciplinary or quality of performance reasons. "Termination" does not include layoff, reduction in workday, furlough, reduction in workforce, job transfer or reassignment, or the end or completion of temporary employment, which are not subject to the grievance procedure.

- D. Definition of “Workplace Safety”:** For purposes of this procedure, “workplace safety” includes any conditions of employment related to the physical health and safety of employees, including the safety of the physical work environment, the safe operation of workplace equipment and tools, provision of personal protective equipment, and accident risks. “Workplace Safety” does not include conditions of employment unrelated to physical health and safety matters, including, but not limited to, hours, overtime, assignments and work schedules.

III. General Provisions

- A. Role and Appointment of “Impartial Hearing Officer”:** For purposes of this procedure, the role of the “Impartial Hearing Officer” will be to define the issues, identifying areas of agreement between the parties and identifying the issues in dispute, and to hear the parties’ respective arguments. The Impartial Hearing Officer shall be appointed by District Administrator based upon the nature of the matter in dispute.
- B. Time Limits:** Failure to submit or process a grievance by the employee within the time limits specified below, or agreed upon extensions, shall constitute waiver of the grievance and it will be considered resolved on the basis of the District’s last answer. Failure of a District representative to meet the time limits specified below shall cause the grievance to move automatically to the next step in the procedure within seven (7) days of such failure. A grievance or decision or appeal is considered timely if received by the employer during normal business hours or if postmarked by 12:00 midnight on the due date. The time limits contained in this procedure are to be strictly observed and can only be extended upon the express written consent of the parties.
- C. Days:** The term “days” as used in this provision means calendar days, excluding holidays as defined in the Handbook. If the last day on which a grievance is to be filed or a decision is to be appealed is a Saturday, Sunday, or holiday as defined in the Handbook, the time limit is the next day which is not a Saturday, Sunday, or holiday.
- D. Scheduling:** Grievance meetings and hearings will typically be held during the employee’s off-duty hours. Time spent in grievance meetings and hearings shall not be considered as compensable work time.
- E. Representation:** The employee shall have the right to representation during the grievance procedure at the employee’s expense.

IV. Procedure for Grievances Concerning Employee Terminations and Employee Discipline:

The employer and employee may mutually agree, in writing, to waive any step to facilitate or expedite resolution of the grievance.

- Step 1:** An earnest effort shall be made to settle the matter informally between the aggrieved employee and the employee’s immediate supervisor. If the grievance is not resolved informally, then it shall be reduced to writing by the employee who shall submit it to the employee’s immediate supervisor within fourteen (14) days after the facts upon which the grievance is based first became known, or should have become known, to the employee.

The written grievance shall give a detailed statement concerning the subject of the grievance, the facts upon which the grievance is based, and indicate the specific relief being sought.

The supervisor will reply in writing to the employee within fourteen (14) days after receipt of the written grievance.

Step 2:

If the grievance is not settled in Step 1, and the employee wishes to appeal the decision of the supervisor, the employee shall submit the written grievance to the District Administrator or designee within seven (7) days after receipt of the supervisor's written answer to request a hearing before an Impartial Hearing Officer. The Impartial Hearing Officer will be appointed by the District Administrator or designee.

If timely requested, the hearing will normally be scheduled within thirty (30) days of receipt of the request for hearing. The Impartial Hearing Officer may require the parties to submit documents and witness lists in advance of the hearing in order to expedite the hearing. The Impartial Hearing Officer will have the authority to administer oaths, issue subpoenas at the request of either party, and decide if a transcript is necessary. At the conclusion of the hearing, the Impartial Hearing Officer shall render a written decision indicating the reasons for one of four decisions: 1) Sustaining the discipline/termination, 2) Modifying the discipline/termination, 3) Denying the discipline/termination, or 4) Recommending additional investigation prior to final determination. The Impartial Hearing Officer shall issue the written decision to the employee and employer within thirty (30) calendar days from the date of the hearing or submittal of post-hearing briefs. In cases where the Impartial Hearing Officer recommends additional investigation, at the conclusion of the additional investigation, a second, follow-up hearing shall be scheduled. The Impartial Hearing Officer may apply relaxed standards for the admission of evidence and may request oral or written arguments and replies.

Step 3:

The employer or employee may appeal the decision of the Impartial Hearing Officer to the Board in writing within seven (7) days of receipt of the written decision of the Impartial Hearing Officer. The decision of the governing body shall be final and binding upon the parties.

Level of Review: The role of the Board of Education, in reviewing the decision of the Impartial Hearing Officer, is to solely address the following questions:

1. Did the Impartial Hearing Officer follow a fair and impartial process?
2. Is there evidence of corruption, fraud, or misconduct by the Impartial Hearing Officer?
3. Did the Impartial Hearing Officer make an error of law which makes his/her award invalid?
4. Did the Impartial Hearing Officer make an error of fact which makes his/her award invalid?

After answering the above questions, the Board of Education will decide to uphold, modify, or reverse the decision of the Impartial Hearing Officer. The Board will issue its written decision within sixty (60) days from receipt of the appeal.

V. Procedure for Grievances Concerning Employee Workplace Safety:

The employer and employee may mutually agree, in writing, to waive any step to facilitate or expedite resolution of the grievance.

Step 1: Any employee who personally identifies, or is given information about, a workplace safety issue or incident must notify his/her immediate supervisor of the issue or incident as soon as reasonably practicable. All workplace safety issues and incidents, no matter how insignificant the situation may appear to be, must be reported by an employee to their immediate supervisor within 24 hours after the incident or issue was raised in order to be addressed as part of the grievance procedure.

A written report of the incident or issue, outlining the events that transpired and proposed resolution, if any, shall be submitted to the Building Principal for review and consideration within seven (7) days of the incident or issue.

Step 2: After receipt of the written report, the Building Principal or designee will conduct additional investigation, as required, and normally issue a final report on its findings and conclusions within thirty (30) days of receipt of the written report. Copies of the report will be given to the persons who signed the written report as well as to the District Administrator or designee.

Step 3: The employee may appeal the findings and conclusions of the Building Principal and request the appointment of an Impartial Hearing Officer within seven (7) days after receipt of the Building Principal's report. The Impartial Hearing Officer will be appointed by the District Administrator or designee.

If timely requested, the hearing will normally be scheduled within thirty (30) days of receipt of the request for hearing. The Impartial Hearing Officer may require the parties to submit documents and witness lists in advance of the hearing in order to expedite the hearing. The Impartial Hearing Officer will have the authority to administer oaths, issue subpoenas at the request of either party, and decide if a transcript is necessary. At the conclusion of the hearing, the Impartial Hearing Officer shall render a written decision indicating one of three outcomes: 1) Sustaining the conclusions of the Building Principal, 2) Denying the conclusions of the Building Principal and ordering additional or alternative remedial measures, or 3) Recommending additional investigation prior to final determination. The Impartial Hearing Officer shall issue the written decision to the employee and employer within thirty (30) calendar days from the date of the hearing or submittal of post-hearing briefs. In cases where the Impartial Hearing Officer recommends additional investigation, at the conclusion of the additional investigation, a second, follow-up hearing shall be scheduled. The Impartial Hearing Officer may apply relaxed standards for the admission of evidence and may request oral or written arguments and replies.

Step 4: The employer or employee may appeal the decision of the Impartial Hearing Officer to the Board in writing within seven (7) days of receipt of the written decision of the Impartial Hearing Officer. The decision of the governing body shall be final and binding upon the parties.

Level of Review: The role of the Board of Education, in reviewing the decision of the Impartial Hearing Officer, is to address the following questions:

1. Did the Impartial Hearing Officer follow a fair and impartial process?
2. Is there evidence of corruption, fraud, or misconduct by the Impartial Hearing Officer?
3. Did the Impartial Hearing Officer make an error of law which makes his/her award invalid?
4. Did the Impartial Hearing Officer make an error of fact which makes his/her award invalid?

After answering the above questions, the Board of Education will decide to uphold, modify, or reverse the decision of the Impartial Hearing Officer. The Board will issue its written decision within sixty (60) days from receipt of the appeal.
