Drill Remarks:

An all school lockdown drill was completed at the main building on Friday, November 19th 2021. Prior to the lockdown drill, a brief announcement was read at 2:40pm. In that announcement, procedures were discussed and then staff were given time to discuss and plan with their students. The lockdown drill was announced at 2:47pm. Stanley Police Chief Lance Weiland was on site for the lockdown drill.

The middle school classrooms met the expectations of the drill. Lights were off, classroom doors were locked, and students were quiet. I observed one student that was late to move to a position out of view. Other than that, I was unable to see any students or staff.

It should be noted that there were a total of four office doors left unlocked and one light was left on in one of the offices.
