507 East 1st Avenue  
Stanley, WI 54768-1279

Dear Mr. Koenig:

Congratulations to **Stanley Elementary School** for your efforts in implementing an equitable, multi-level system of supports! Creating a system that meets the needs of ALL students is rewarding work that takes the determination of your school community.

Your school is recognized by the Wisconsin Response to Intervention (RtI) Center and the Wisconsin Department of Public Instruction (DPI) for your implementation in the following area(s):

- **Bronze: Behavior**
- **Silver: Reading**
- **Bronze: Math**

Funded by the Wisconsin DPI, the Wisconsin RtI Center supports schools and districts by providing statewide training and technical assistance. Our mission is to build the capacity of Wisconsin schools to develop and sustain equitable, multi-level systems of supports to ensure success for all students.

The center's Recognized Schools program celebrates school progress in expanding, refining, and sustaining implementation of a system of supports for improved student outcomes. Schools are recognized at the bronze, silver, gold, or platinum level in the content areas of reading, mathematics, and behavior. Levels indicate the following implementation progress:

- **Bronze:** At full implementation or fidelity in one content area at the universal level for at least one year
- **Silver:** At full implementation or fidelity in one content area at the universal level for at least two years and at the selected level for at least one year
- **Gold:** At full implementation or fidelity in two content areas at the universal and selected levels for at least two years with evidence of deeper implementation
- **Platinum:** At full implementation or fidelity in all three content areas, at all three levels, and for at least three years with evidence of positive student outcomes and improved equitable systems

The work your school community has accomplished lays a solid foundation for the future

expansion and refinement of your equitable, multi-level system of supports.

Your school will receive an award package as recognition for your efforts along with a kit to assist your school in sharing these accomplishments. Award packages will be mailed to your school near the end of July.

Once more, congratulations to your whole school community! We look forward to supporting you in your continued success and helping you ensure all of your students graduate college and career ready.

Sincerely,
