

CURRENT PRINT SUMMARY

Stanley Boyd School District currently utilizes two Konica Minolta 654e Copiers. Both devices have over 1 million impressions and have been discontinued by Konica Minolta, along with age and use, the machines have started to break down more severely causing downtime within the district. Today, the district pays **\$277.04** for the equipment each month, and an average of **\$363.17** for service every month including the breakdown of monthly overages, for a total monthly spend of **\$640.21** each month.
