Description of Services: CommonLit School Essentials PRO

The CommonLit School Essentials PRO package enables schools to get the most out of CommonLit's full digital literacy program. Our Text Library and CommonLit 360, found on commonlit.org, has been proven to accelerate reading comprehension for students in grades 3–12.

CommonLit's digital library includes over 3,000 English texts for grades 3–12, equipped with online accessibility tools and easy-to-use progress monitoring features. CommonLit 360 is our full-year secondary English Language Arts curriculum (EdReports Green rated for grades 6-8) designed to support student growth in reading, writing, speaking, and listening. Our curriculum is grounded in research-based practices and is built around the idea that students learn best when they are engaged in meaningful, relevant, and challenging work.

School Essentials PRO Pricing

CommonLit's standard per school price for the CommonLit School Essentials PRO package is **\$3,850 per school per year**.

| Service | Description |
|-----------------------|---|
| Professional Learning | <p>The CommonLit School Essentials PRO package includes two live, virtual professional development sessions per contract, per year. Sessions are up to 60 minutes and led by 1 facilitator. You can choose from sessions which cover <u>the CommonLit Text Library, Target Lessons, and Assessment Series</u> or our <u>CommonLit 360 curriculum</u>.</p> <p>Additionally, teachers and leaders will have unlimited access to our on-demand Professional Development Portal (featuring over 80 self-paced training modules) and ongoing CommonLit kickoff webinars that teachers can sign up to attend individually.</p> |
| Assessments & Data | <p>Teachers will gain access to CommonLit's Assessment Series.</p> <p>The Assessment Series includes three easy-to use benchmark assessments (a Pre-, Mid-, and Post-Assessment) that are standardized, grade-level exams. They are designed to assess the key grade-level standards that students will be practicing throughout the school year. The assessments are administered directly through CommonLit's online platform and provide instant data for teachers.</p> |
